

Welcome on Friday - February 26, from 16:00 in the shopping center "Akve Khalide" to learn more about the properties of the healing waters of the Burgas Mineral Baths

We will gather in front of the mineral water fountain itself and pour ourselves from it.

The lecture is the first focus of the three-day program of "Pro-Fly - Bazaar for good things" from 26 to 28 February. We will be waiting for you outdoors with lots of music, drinks and food, some of which - known only to the Romans, others - to true connoisseurs. Every day from 10:00 to 20:00 - meetings in the craft and arts bazaar "Akve Khalide" - minting coins, demonstrations of old weapons and much more.

For children there will be workshops for martenitsas from Sea Signs and the famous "Art-and-Facts". And on the 27th we will get hot with the music of the group "Hot Sand", in a live concert from 6 p.m.

On Sunday at noon, as it should be - time for Bulgarian folklore, live by the group "Wind Nightingales"
