

Integrated Urban Transport of Burgas

The Information day on Burgas Integrated Urban Transport

The Information day on Burgas Integrated Urban Transport Project, funded by the Operational programme "Regional development" 2007 - 2013 will be held on December 11, 2012 at 1:00 PM in "Petya Dubarova" Hall at the "Kazino" Cultural centre.

The event is dedicated to one of the basic project components, related to introduction of intelligent transport management system, real time passenger information system, e-ticketing and CCTV. It is the pleasure of Burgas Municipality to invite all stakeholders to take part in the event fostering a fruitful and open discussion on urban transport modernization and development.
