## MP „TOURISM“

Municipal enterprise "Tourism" was found in 2013 to serve local tourist sites, complexes and attractions. MP "Tourism" also promotes Burgas as a tourist destination and provides information about tourist products, sites, events and any other information providing the comfort of the guests of Burgas and the region.

MP "Tourism" manages the following sites:

- Tourist complex "St. Anastasia island"
- Tourist ship "Anastasia"
- Tourist complex "Aquae Calidae"
- Tourist information center
- The official travel guide of Burgas - Go to Burgas <https://www.gotoburgas.com/>
