

A 25-meter bulgarian flag shines over the building of the „Zlatnoto klyuche" kindergarten

Tuesday, 2 March 2021

The 25-meter flag shines over the building of the „Zlatnoto klyuche" kindergarten on the eve of the national holiday on the 3rd of March. The kids from this institution have actively participated in the preparation. They unfurled the national flag on the playground in front of the garden, to the sound of patriotic music in the background, they carried it to the entrance to the kindergarten.
