Burgas celebrates the "Night of Literature" on May 12 with seven "reader's nests" in the new Library

Wednesday, 5 May 2021

In 2021 the Night of Literature event in Bulgaria celebrates its tenth anniversary year. The Municipality of Burgas is among the first partners of the literary event, which quite naturally became an integral part of the cultural program of the city. This year the literary marathon will take place on May 12, at 18.00, in the building of the new library. We have prepared seven reading nests in which you will feel cozy and intrigued by our readers. The successful combination of the pleasant presentation of the excerpts and the literary text itself offers an unforgettable cultural experience and an opportunity to get acquainted with the work of contemporary European authors. The aim of the event is to increase public interest in contemporary European literature. Literature Night shows how important multilingualism is and how important the role of translators and publishers is. Every year, the role of readers is played by popular people - actors, radio and TV presenters, musicians, and others. Who are they in 2021? - You have to find out.
