

Every resident of Burgas with paid taxes has the right to receive 5 litres of compost for each individual property

Tuesday, 23 February 2021

Every resident of Burgas with paid local taxes has the right to receive 5 litres of free compost produced by OP "Chistota Eco". From March 15th, The Municipality of Burgas and OP "Chistota Eco" are restarting a campaign for free distribution of compost for each individual property on which you paid the full amount of property tax and the household waste tax until the 30th of April. This initiative will last until December 31st.
