## Martina Tabakova from Burgas with another award from an international competition

Monday, 8 February 2021

After a bunch of first place awards in the end of 2020, which the pianist Maria Tabakova got from prestigious musical competitions in Russia and France, a few days ago she was awarded in the "Rudolf Bashair" competition in Saint Petersburg along with the violinist Zornitsa Marionova. Although the competition was tough, the two artists got a second place award in the category "Chamber music".
