

## **Today, the renovation of "Kliment Ohridski" Street begins with the replacement of the old pipes**

Wednesday, 17 February 2021

After 13.00 today, February 17, the renovation of Kliment Ohridski Street begins. The plumbing workers will be the first to enter with equipment. First, they will excavate the section from William Gladstone Street to Patriarch Euthymius Street. For this purpose, a temporary reorganization of the traffic is introduced. In the mentioned place the access of cars will be temporarily stopped.
