

Near bl.47 in "Zornitsa" living estate will be built a normal parking lot for the first time after the completion of its construction

Tuesday, 13 April 2021

The construction of a parking lot for bl. 47 In the "Zornitsa" living estate has started. There will be normal paved, organized and marked parking, as well as improved drainage of the area. Residents of the building turned to the mayor Dimitar Nikolov with a clear desire such a project for the building to be implemented, since the building houses the district town hall, as well as a day center for the disabled.
