

## **The main character of Theo Ushev's fantasy film - Martina Apostolova - becomes a jury of BIFF'2021**

Friday, 28 May 2021

After the successful shots last summer in the leading role of the wise and brave Gargara in the long-awaited film by director Teodor Ushev - "Phi 1.618", the charming actress Martina Apostolova returns to Burgas. She will take a place among the honorary jury of the BIFF International Film Festival 2021. She will traditionally welcome his audience in the middle of the summer season, this year from 16 to 23 July.
