

The historical museum visits "Elin Pelin" primary school due to the national holiday of Bulgaria - the third of March

Tuesday, 2 March 2021

The thematic visit to the school was due to the upcoming celebration of the national holiday of Bulgaria - the 3rd of March. The invitation to the museum was sent by the class teacher of V "g" class Petya Petrova, supported by the school director Pepa Zapryanova and, above all, inspired by the curiosity inherent in children. The focus of the conversation was Burgas and its unknown past.
