

## **The modernization of street lighting continues with four new main street arteries**

Wednesday, 14 April 2021

The activities for renovation and modernization of the street lighting in Burgas started with the boulevards "Hristo Botev" and "Democracy". The work will continue in three new places: Todor Alexandrov Blvd. - from Sportna St. to Zahariy Stoyanov Blvd., followed by "Prof. Yakim Yakimov", "Trakia" and "Yanko Komitov". As a final result, 22 main road arteries will light up brighter and cheaper in Burgas.
