

A change in the organization of the traffic is being made due to the beginning of a construction on the northern bypass route

Wednesday, 24 February 2021

Due to the beginning of a construction of a load-bearing structure for a road object on the dividing island on the main road and I-6 Vetren - Burgas, on the 24th of February (Wednesday) at 10:30, a temporary shift will be put in the organization of the traffic. The two lanes in the area from kilometer 493 + 483 to kilometers 493-688 are scheduled to be closed. This new organization of the traffic will remain in force until the 16th of June 2022nd.
