## **ENJOY THE SHOW "LOVE LETTERS" WITH THE CHARMING YANA MARINOVA AND SVEZHEN MLADENOV AT THE NHC AT 7 PM**

Thursday, 17 February 2022

An intriguing story through letters is recreated by Yana Marinova and Svezhen Maldenov in the play "Love Letters". It will be presented on February 19 at 19.00.

Letters from him to her, and back from her to him. In the framework of a lifetime. Furious action, in which events, ages, feelings, moods pass with astonishing speed ...

The tape slows down for a moment, paints us a specific event, naive, sad, scary or terribly funny, and casts through the cogs of time to the next. A chat that in its breathless lines skips everything insignificant and insignificant in order to immerse us in the thick wine of a love that still cannot happen and flatly refuses to die. Thus, the theatrical performance can be briefly presented.

Yana Marinova and Svezhen Mladenov will tell you a story that has nothing to do with you and in which you will not stop discovering yourself.

Tickets at the Opera box office, Clock box office and online:
