ГРУПА **GRAFIKART**

THE MOST SKILLFUL BULGARIAN GRAPHIC ARTISTS ARRIVE IN BURGAS WITH EXHIBITION IN GALLERY “SPRING”

Wednesday, 7 July 2021

Group GRAFIKART is an informal unity of five bright Bulgarian artists which dedicate their effort and talent to the art of graphics. Each one of them has his own trajectory of movement in the demanding way of graphic. They are distinctive in both their usage of technique and plastic language, their idea searching, themes and article messages. What brings them together, however, is their everlasting connection with graphics, defined in their art haven- despite its challenging nature, and sometimes undeserved marginalization in our country.
