

ES “ASEB ZLATAROV” CONTINUES TO CREATE WONDERS FOR THE CHILDREN OF BURGAS

Wednesday, 7 July 2021

The Tanged wonders project of CH “Asen Zlatarov 1940” celebrates 165 years from the start of the establishment of the National Hall and is implemented with the support of the Municipality of Burgas under the

program for co-financing of cultural projects. The event has been offering cultural entertainment for children and young people for several days now. The space in front of the Hall becomes an attractive stage of talent, which invites children and parents to exciting meetings in the world of art - painting, modeling, ceramics, music, environmental events, literature readings and more. In July, the children will join a Study Tour at the Burgas Court of Appeal, which will take place on the last day of the initiative, July 16 at 10 am.
