

The new parking lot next to block 93 in Izgrev has been completed and marked

Thursday, 8 April 2021

The new parking lot next to block 93 in Izgrev is completely ready and marked. It is executed as a side road together with the repair of "Petko Zadgorski" - the main road of the complex. There are 75 parking spaces. Work is underway to improve the street lighting in the area.
