

See the new electric buses of Burgas

Monday, 29 March 2021

Burgasbus signed a contract for the supply of 34 new electric buses, out of a total of 56, of the Spanish brand Irizar. They are 12 meters long and will serve public transport. Under the terms of the agreement, they must be delivered to the seaside town in a year.

The signing of the contract for delivery of the vehicles is part of the project of the Municipality of Burgas and Burgasbus for renewal of the carrier's fleet.
