

## **The municipality and Burgasbus provide a free night line for SEC/SIK/ members**

Friday, 2 April 2021

In order for the members of the sectional election commissions to return home quickly and conveniently after handing over the papers in the Boycho Branzov sports hall, the Municipality of Burgas and Burgasbus again provide them with transport on election night. They will be able to use the free emergency line starting at the Zornitsa bus stop (on the UMBAL side) at 00:30, 1:30, 2:30, 3:30 and 4:30.

\* Buses will not stop everywhere so as not to create a delay, but will leave people at the stop they wish for. There will be a disinfectant in them - use it and wear a mask! The buses themselves will also be pre-disinfected.
