

An European financial assistance is being granted to the small enterprises with an income of over BGN 500000

Tuesday, 23 February 2021

Since yesterday, February the 22nd, the managing body for the Operational Program "Innovation and Competitiveness 2014-2020" announces the selection of projects under the procedure BG16RFOP002-2.089 - "Support for the small enterprises with an income of over BGN 500000 for overcoming the economic impact of the COVID-19 pandemic".

The goal is to provide operational capital for Bulgarian small businesses that have realized an income of over BGN 500000 for 2019 to overcome the effects of the COVID-19 pandemic. The deadline is the 15th of March at 16:30.
