

THE FIRST 4 NEW ELECTROBUSES ALREADY CARRY PASSENGERS IN BURGAS

Wednesday, 10 November 2021

As of yesterday, the first 4 new electric buses of Burgas are already carrying passengers. They serve lines B1 and B2. In the meantime, 2 more have arrived. Their registration and testing of the systems is forthcoming. Immediately after that, they take to the streets. By the end of the year, the Municipality and Burgasbus will put into operation a total of 11 new electric buses. The remaining 45 will arrive in stages in 2022. Finally, a total of 56 new electric buses will become part of the Burgasbus fleet.
