

The Municipality provided another 70 parking lots for the residents of "Slaveykov" living area

Monday, 19 November 2018

Posted by: Stefan Minchev

The new free parking is now in operation, located near by blocks № 17 and 18 in "Slaveykov" living area. The Municipality of Burgas uses the available space in an optimal manner and instead of the announced 50 it has 70 parking lots. The pavements and all necessary car access / exits are built.
