To help the people who want to light a candle on Easter's Eve "Burgasbus" is going to schedule lines B1 and B2 after midnight with the same prices with the first one being scheduled for 00:30 o'clock. Please don't bring lit candles in the busses for the sake of everyone else's safety and your own. On the 26th, 27th and 28th the busses' schedules will be the same as during any other holidays.
