

Warning to bee owners: bus stops and stations will be treated with herbicide on June 7th.

Tuesday, 18 May 2021

The Municipality of Burgas notifies the owners of bee colonies that on 7th of June, after sunset until 10 o'clock the next day, the SP "National railway & infrastructure" will carry out herbicide treatment against weeds on railway infrastructure facilities (train stations and bus stops) in the city. Treatment will be performed with the help of the drug "Gallup super 360" with the active substance 360 g/l glyphosate.
