

The first set of trees, ordered by the municipality from the Netherlands, have arrived. The municipality begins planting them on several major streets

Tuesday, 2 March 2021

The trees are Acker Boards, The Emerald Queen, Aker Plath and Globosum. The samples purchased in the Netherlands make a total of 150. From this week on, their planting begins on "Cyril and Methodius", "Democracy", "Asen Zlatarov" streets and soon on others.
