

Repairs continue at “Petko Zagorski” street, read where the crossing will be banned from tomorrow

Tuesday, 16 February 2021

Due to the ongoing repair work on “Petko Zagorski” street, on February 17th, a temporary reorganization of traffic is being introduced in the section of the street between bl. 15 and bl. 65 in “Izgreve” living estate - to the street between bl. 74 and Veleka Park. Thus, “Petko Zagorski” street will close one lane for driving - from “George Kaloyanchev” street to the “Plaza” shopping centre.
