

## **With the loosening of measures “Burgasbus” is making busses more frequent**

Friday, 9 April 2021

Burgasbus EOOD informs its clients that in connection with the partial loosening of the anti-epidemic measures and the restoration of the present educational process, as of 12.04.2021, Monday, the schedules of urban and interurban lines will be changed. Also from Monday the implementation of the last courses on lines B11 and B12 is resumed.

Burgasbus stated that they will continue to monitor the flow of passengers and maintain constant readiness in case of proven need to make new adjustments to the schedule.

Expect details on the company's website, where the changes will be reflected in the pages of each line:
