

Create the most original appearance for the #Burgas International Film Festival '2021 - the prize is 400 leva

Thursday, 11 March 2021

This year the festival is going to amuse the people of Burgas in the days between 16th and 23rd of July and the organizers promise that the 6th edition will be worthy for top students.

Burgas International Film Festival '2021 challenges all of the creators in the area of visual arts - artists, illustrators, photographers and so on. They can participate with an interesting interpretation in the competition for appearance. The chosen poster will adorn all of the on- and offline appearances of the event and it will be its calling card before the projection of each of the movies in the program. The initiative is organized in partnership with the independent print for culture "LOOK!" and "Tatratea".
