

## **Social workers in Burgas planted coniferous trees in the “Mineralni bani” park**

Tuesday, 16 March 2021

**Today social workers from Burgas celebrated their professional holiday by planting coniferous trees. The trees were planted in the popular Burgas park "Mineralni bani" in the "Vetren" area. The eco-initiative is being implemented with the assistance of the Municipality of Burgas and will continue at the end of March with the planting of more trees.**
