

## Specialized training for pedagogical specialists will take place in Burgas

Tuesday, 20 April 2021

**On the 21<sup>st</sup> of April, the local commission for combating human trafficking in Burgas will hold a specialized training on the topic: “Psychosocial prerequisites for involving adolescents in criminal human trafficking”. The specialized training will be conducted online and will involve more than 40 educational consultants, psychologists and social workers from Burgas and the region. The main points will be put on the prerequisites for creating vulnerability to trafficking and specific indicators will be indicated by which potential and real victims of trafficking can be identified.**
