DF "Petlite" and Desi Dobрева present in Burgas the show "Unknown" in June

Wednesday, 5 May 2021

DF "Petlite" and Desi Dobрева will present the show "Unknown" on June 10 in Burgas. It involves 35 dancers and tells the story of a little girl from France with Bulgarian roots. One day she involuntarily hears Bulgarian folk rhythms and something in her trembles. Later she finds out about her origin and decides to get to know the country of her ancestors - Bulgaria. Completely unprepared for what she will find, she finds herself in small settlements, where the old Bulgarian customs still exist. She is fascinated by folk dances, is involved in mystical rituals such as firefighting and mummery, learns about fairies and brazia. Realizing that it is precisely these things that make her full and truly alive, she boldly declares "I will remain here." The guest of the show will be the beloved Desi Dobрева, announced the DF "Petlite". She will be involved in the plot and together with the young dancers will tell about the Bulgarian traditions and customs. The premiere of the play will take place in Burgas - at the Summer Theater, on June 10, 2021, from 20:00. The performance is funded by the NFC at the Ministry of Culture. Tickets can be found at a price of BGN 12.00 at the NHC box office on June 10. Working hours - from 10:00 to 18:00.
