

This place will become a renovated small neighborhood park with areas for sports, relaxation and children's games

Monday, 8 March 2021

The space between the streets "Hr. Botev ", " San Stefano ", " Sheynovo " and " Hristo Fotev " will be renovated by the Municipality of Burgas under the program " My city, my neighborhood, my street ". This year a new alley network will be implemented on the site, facilities for children's games and outdoor fitness, new sidewalks, lighting will be installed. New park furniture and additional landscaping will be imported.
