The Sredets Gallery in Sofia at the Ministry of Culture hosts over 60 paintings, arranged by the bright representatives of the Burgas School of Painting, Yordan Marinov, Yordan Petrov and Yordan Angelov. The successful trio has a 22-year tradition of opening an exhibition on January 6, the big Christian holiday of Epiphany, and the three of them celebrate their name day.

For the first time the joint exhibition of the three Yordanovs meets connoisseurs in Sofia.
