

The permitted absence for family reasons has been extended for the youngest

Friday, 12 February 2021

Due to the increased morbidity of K-19, registered in Burgas in recent days, children of compulsory preschool age can be absent from class for family reasons longer than allowed during the school year. The aim is to increase the effectiveness of measures to limit the spread of coronavirus infections.

The families which can take care of their children at home are welcome to do so without fear of repercussions.
