Tuesday, 16 March 2021

From now on, every citizen who has paid the tax on their property and the fee for household waste before the 30th of April can get 5 liters of compost for free. It will be distributed in mobile centers for separate collection of waste, when it is received, it is necessary to submit a receipt on paid fees. If you pay fees for multiple properties, you can get a compost package for each of them.
