

20 NEW CHARGING STATIONS FOR ELECTRIC VEHICLES WERE OPENED IN BURGAS

Tuesday, 12 July 2022

* They are located in 8 locations as part of a joint project of Eldrive and the Municipality

20 new charging stations for electric vehicles (under the joint project of Eldrive and the Municipality of Burgas for the construction of a public network) were installed and put into operation in July. They are located in 8 easily accessible locations. Some of them have 2 and 3 "columns". Here are the places where they are located:

* St. "Hristo Fotev" - behind BRC;

* "Zheni Pateva" Square;

* Sports Hall "Boicho Branzov";

* Youth Home - on the corner of "William Gladstone" and "Alexander Stamboliyski" streets - Borisova garden;

* St. "Rhodopi" - zh.k. "Bratya Miladinovi";

* Zh.k. "Lazur" - "Ivan Bogorov" Street;

- * Sea garden - "Primorska" alley;
- * Fishing port "Sarafovo" - pending installation.
