See what are the first spring activities for the Burgas Boulevard

Thursday, 25 February 2021

Фестивал, който трябва да посетим в града ни.

Several years ago, the Municipality of Burgas created the initiative Boulevard - Network of the Senses, which unites private business with the creative industries. It is developing successfully and its partners help a lot to make the city interesting and intelligent. "Network of the senses" is actually a route with favorite places in Burgas.
