

LOOK AT THE POEM AND VIDEO THAT WON THE COMPETITION OF THE CENTER FOR PERSONAL DEVELOPMENT AND PUDOOS

Wednesday, 13 October 2021

The student Ivan Delev from 7th grade at Hristo Botev Primary School - Vetren district took first place in the "Video" section of the competition of the Center for Personal Development and PUDOOS under the project "Children and students in the magical world of nature." A jury chaired by Pepa Angelova - project manager and members Atanasia Petrova and Desislava Ivanova evaluated all works on environmental issues.

A special award for the most artistic performance and mass participation was given to 1 b class from Sofia University "Dimcho Debelyanov".

More than 50 poems took part in the second stage of the competition on "I love nature and I participate". The jury chose the second graders Dimana Trifonova and Martina Hristova from Lyuben Karavelov Primary School as the best poem in the first age group.
