

## **The acceptance of documents one-time financial assistance at the childbirth has begun**

Tuesday, 9 March 2021

The acceptance of documents for the provision of a one-time financial incentive for parents to give birth to children in the territory of the Municipality of Burgas has begun. A one-time financial incentive is provided by the Municipality of Burgas to parents for each newborn and to adoptive parents for each adopted first, second, third and next child. The right to apply for a financial incentive will be granted to parents who have a diploma for at least completed secondary education and have a permanent address in the territory of the Municipality of Burgas.
