

The complete renovation of the playgrounds in 10 Burgas kindergartens has started

Monday, 12 April 2021

The construction activities in the first 10 Burgas kindergartens have started, which were approved under the new municipal program for complete renovation of the yards, said the mayor Dimitar Nikolov, who followed the beginning of the construction works in the kindergarten "Zvezditsa". The yard of DG "Zvezditsa" will be completely renovated with a new garden, new tiles and curbs around it, park furniture and new lighting. Playgrounds and outdoor activities will also have brand new children's facilities for children to play on.
