

Burgas Brass Orchestra Update Its Rating

Monday, 13 January 2014

Burgas brass orchestra returned from abroad participation. It visited Greece at the invitation of Ptolemais Municipality to join the celebrations of the new year. It turned out that the people from Greece become familiar with the capabilities of Burgas musicians from video which was posted on youtube.com

In recent years the brass orchestra from Burgas changed its repertoire and composition. It creates good mood of any events - leisure or official, outdoors and indoors. The repertoire has jazz standards, film music, latin music and more.
