

## Mayor Nikolov opened a Business Forum for Small Business, organized by "24 Hours"

Tuesday, 17 April 2018

Partners of the initiative were the Ministry of Economy, the Confederation of Employers in Bulgaria (CEIBG), the Bulgarian Export Insurance Agency and Postbank.

Mayor Nikolov stressed that in recent years there have been migrations of small companies from neighboring areas to Bourgas, industrial zones are developing, and many small companies are involved in the logistics of large companies.

More than BGN 67 million will be awarded this year under the Innovation and Competitiveness OP 2014-2020 for a start-up business, with women and young people up to 29 years old, as well as those from 50 to 64 years old. advantage. This was announced at the Burgas forum Lyubomir Ganchev of the Ministry of Economy.

Representatives of the local business had the opportunity to first get acquainted with the conditions for financing projects and with the opportunities to increase sales through the instruments in Bulgaria and abroad as well as with options for insurance against various risks.
